

# Silver Nitrate Applicators

Tech-Med Services  
has partnered with Bray  
Healthcare and is now the exclusive  
distributor of Silver Nitrate in the U.S.

Over the past 100 years, Bray Healthcare has been the  
leading manufacturer of Silver Nitrate.

The flexible 6" plastic caustic applicator is molded at  
high temperatures which make the applicator hygienic  
and splinter free. This caustic applicator offers the  
flexibility to enable easy access to the ear, nose or  
throat cavities.
